

Incident escalation and notification protocol

Landcom Staff

This protocol must be followed for all Incidents that are work-related regardless of the location of the Incident. Including remote working, and travelling to and from project sites and external site meetings.

Creating more affordable and sustainable communities

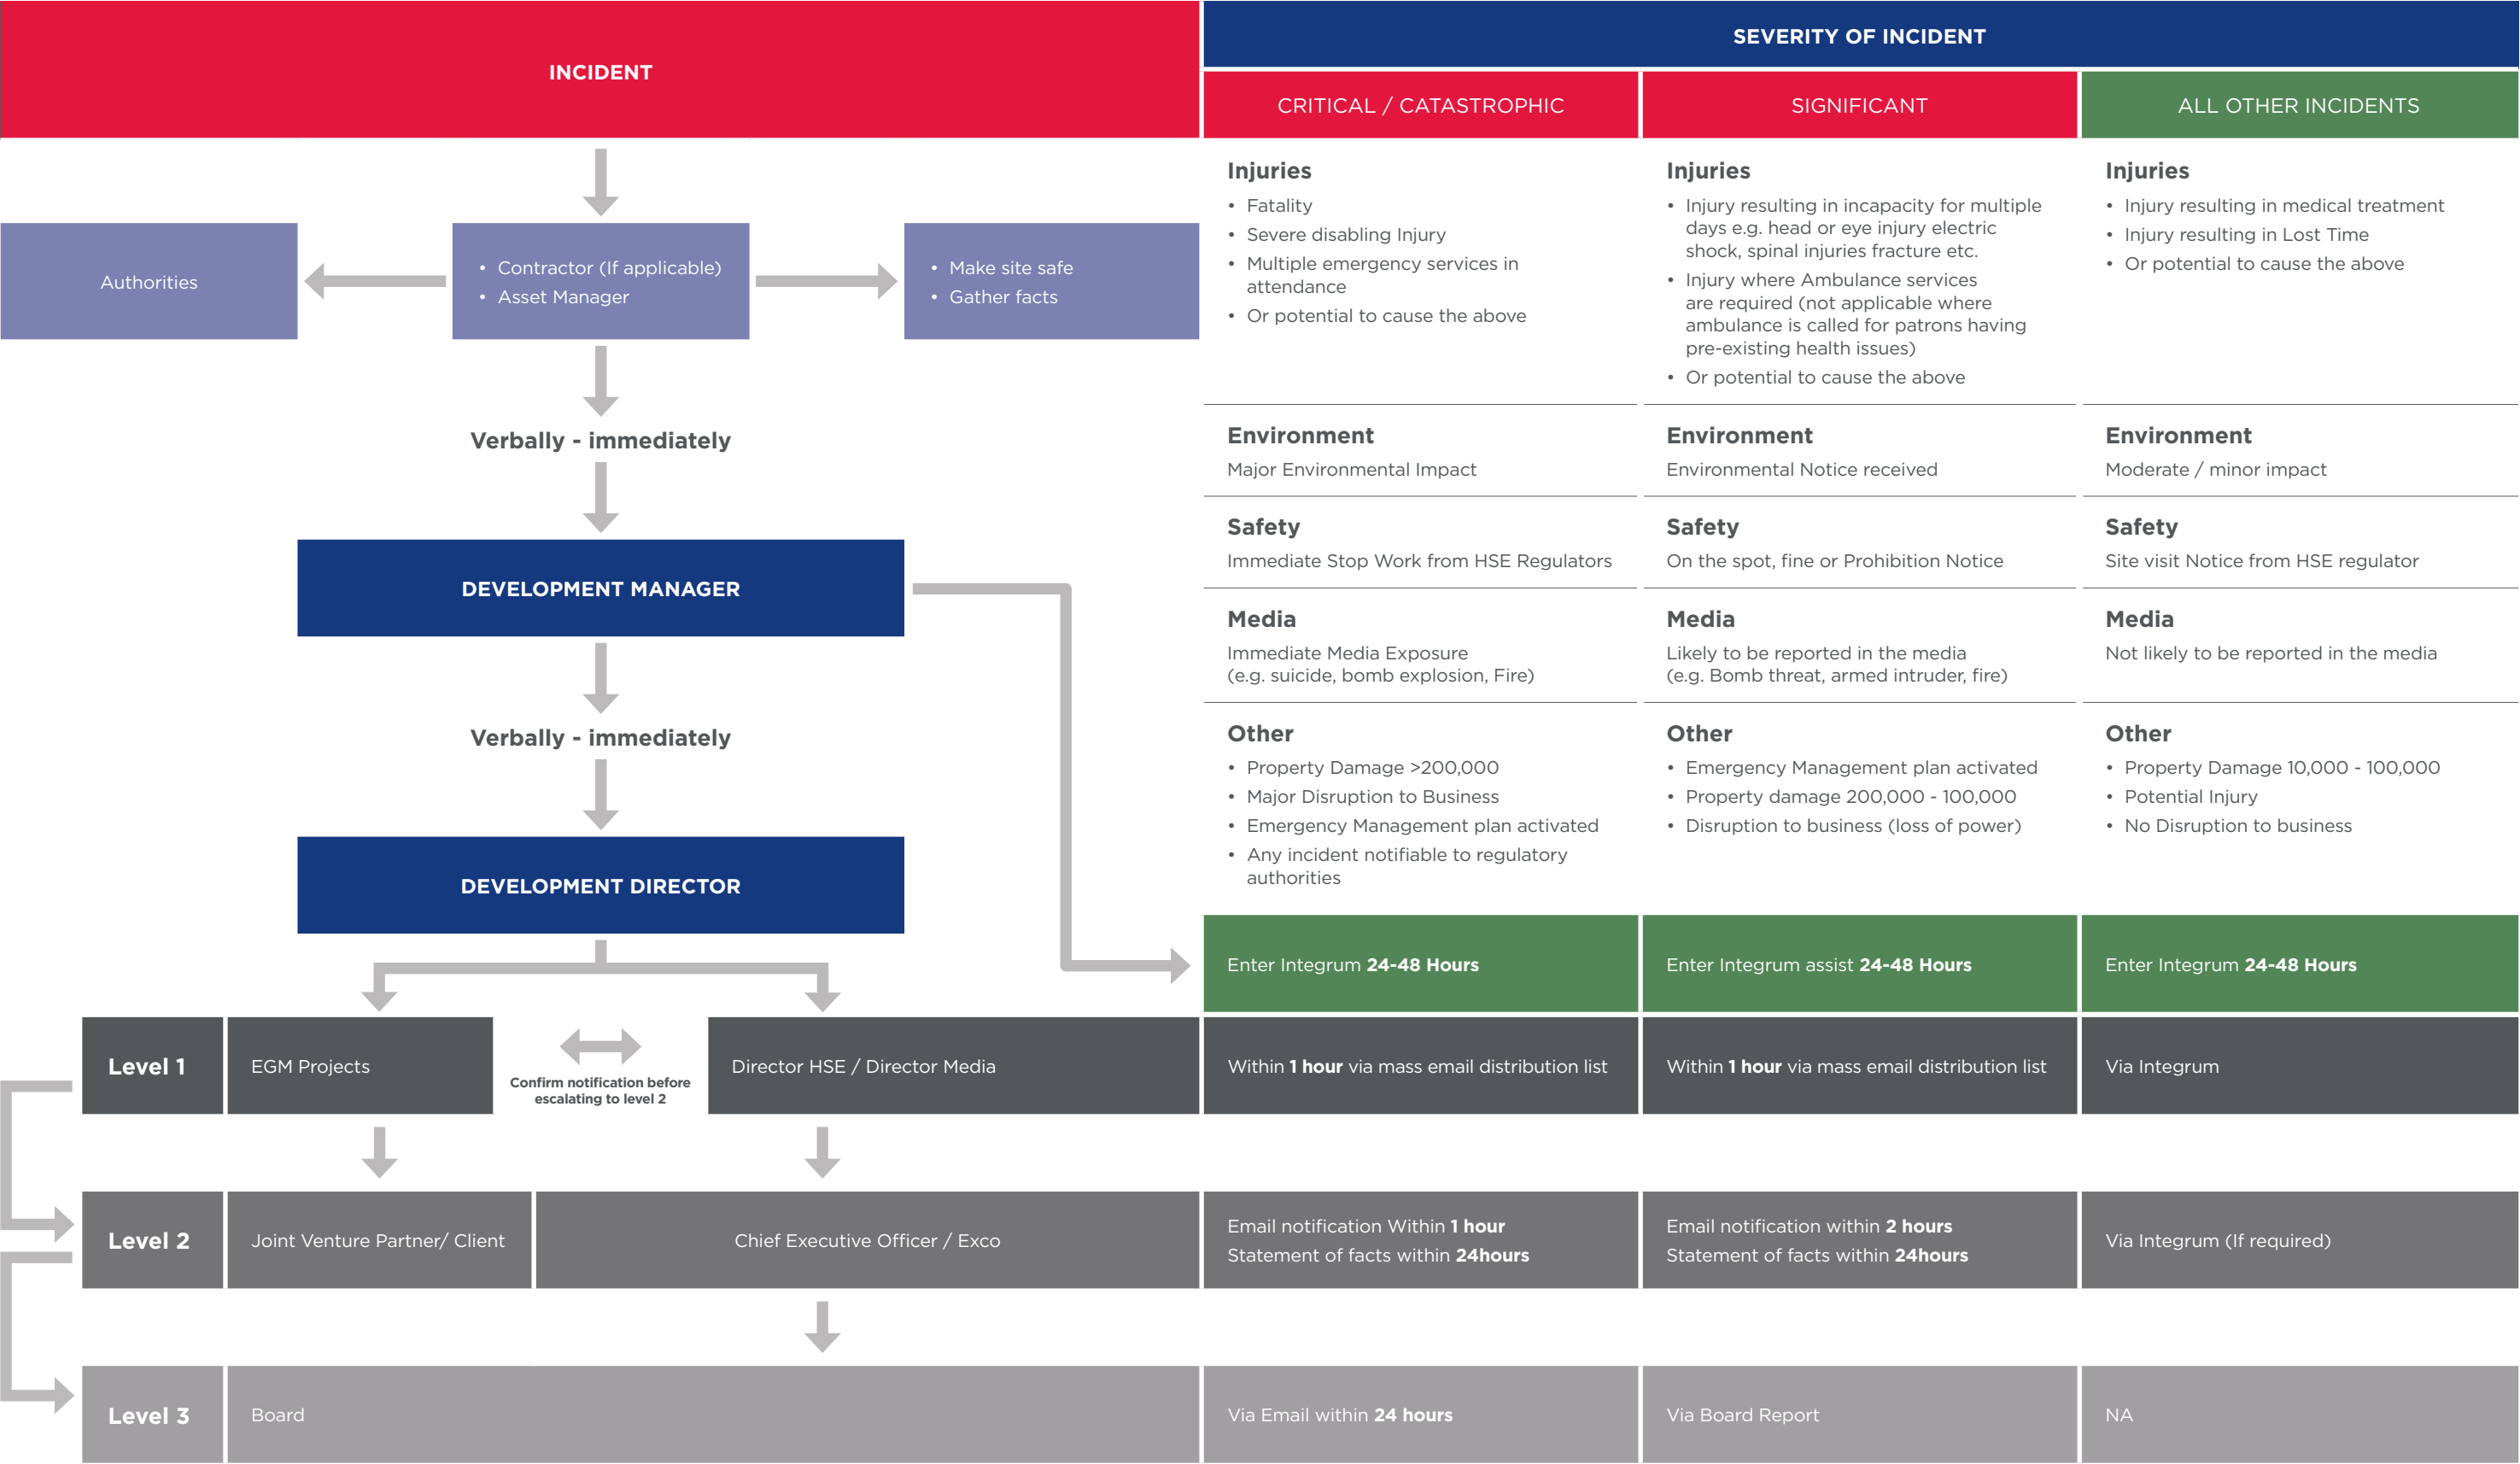

Legend: HSE – Health Safety Environment / Exco – Executive Committee / P&C – People & Culture / Authorities – Emergency Services and SafeWork NSW Manager * if P&C Business Partner is not available contact any other P&C member ** Only HSE Team will notify SafeWork NSW

Incident escalation and notification protocol

Landcom Control (Holdings / Maintenance Assets / Works under \$250,000)
