Key topics

Modern methods of construction, higher-density housing typologies, pattern book design, artificial intelligence in development processes, and strategies for climate resilience and net zero outcomes.

Through workshops, site visits, and cross-jurisdictional knowledge sharing, the conference will foster collaboration among government land organisations and promote best practice in the planning, delivery, and stewardship of future housing and communities across Australia and New Zealand.

Travel and accommodation

Attendees are responsible for arranging their own travel to and from **Sydney Kingsford Smith Airport**.

Travel time from Sydney Airport to the hotel is around 30 minutes depending upon traffic and time of day.

Accommodation has been booked at **Pier One Sydney Harbour, 11 Hickson Road, Dawes Point, Sydney**. Please indicate your arrival and departure dates in the RSVP form so we can confirm your accommodation requirements.
